

Evangelical Press Association

2019 Convention

Sponsorship, Exhibit and
Promotional Opportunities

April 7-9, 2019

Sheraton OKC Downtown
Oklahoma City, Oklahoma

The Evangelical Press Association is the world's largest professional organization for the evangelical periodical publishing industry, both print and digital.

EPA may not be large in numbers — we have 300 members — but the collective influence felt worldwide is enormous. EPA member publications reach more than 15 million readers each month, with an Internet audience that is even larger.

The annual EPA convention brings together the publishers, editors, writers, designers, web developers and others associated with Christian periodical publishing. The convention is a source of new ideas and creative innovations. It provides an intense time of professional learning, networking and inspiration.

Held in rotating cities throughout the U.S., the convention is that one time each year when these industry professionals gather together for advanced training in their craft, gaining insights into new and changing trends, networking and motivational inspiration. In addition, they are looking for new products and services that can better meet their needs within an ever changing world of technology.

EPA's Sponsorship Program provides industry-related vendors an opportunity to personally introduce their products and services directly to decision makers. Ministry organizations are able to gain invaluable exposure by interacting directly with writers and editors who have the ability and the means to bring their story to life before thousands, perhaps millions, of readers, both in print and online.

Sponsorship benefits include complimentary registrations, exhibit booth space, banner ads on the EPA website and recognition in the official EPA convention program. Sponsors may have products or materials distributed to attendees. Premium level sponsors will benefit from direct exposure through live presentations during the plenary sessions.

The EPA Sponsorship Program offers your organization an unsurpassed opportunity to showcase the advantages of your products and services to attendees of this premier event in Christian publishing.

Review the following opportunities and contact
Lamar Keener at 1.888.311.1731 to reserve your sponsorship today.

Sponsorship Summary Descriptions

Title Sponsor (Exclusive)

This premier sponsorship is an exclusive opportunity for a single company or organization to gain maximum exposure for an extended period of time. With the company logo prominently positioned on all convention-related marketing and program materials, both in print and online, everyone within EPA — not just the convention attendees — will be well aware of your strategic partnership with EPA. The key benefit of the sponsorship includes a live, 10-minute presentation during a plenary meal session of the convention. *(only 1 available)*

Platinum Level

This premium level features the sponsorship of a plenary lunch or dinner session. The key benefit of the sponsorship includes a live, 7-minute presentation during the sponsored meal session. Banner ads on the website keep your name in front of our members all year long. *(only 3 available)*

Gold Level

This prime level features the sponsorship of one of our two morning plenary forums. The key benefit of the sponsorship includes a live, 4-minute presentation at the beginning of the session. Banner ads on the website keep your name in front of our members all year long. *(only 2 available)*

Silver Level

This level offers several different opportunities. Sponsor a coffee break or one of the breakout rooms. A large poster will recognize your sponsorship. Breakout room sponsors have the option of introducing the speaker for each of the six sessions. For lasting exposure beyond the convention, you can sponsor the registration bags or lanyards. Items are custom-imprinted products with your logo and the EPA logo (EPA takes care of ordering the items). This level offers direct exposure to the attendees with a three-minute presentation at a networking breakfast.

Bronze Level | Exhibitor

Vendors may display their products and services and have a great opportunity to interact with attendees during breaks, prior to meals and during free time. EPA offers an incentive chance drawing to attendees who make a point to interact with the exhibitors. The upgraded Bronze level includes direct exposure to the attendees with a three-minute presentation at a networking breakfast.

Product Distribution

Vendors are invited to provide small products or promotional materials for distribution to the attendees. Items can be distributed in the registration bags (i.e., printed materials or small items) or set out on each chair (i.e., books, CDs, DVDs) for the plenary meal sessions.

Program Advertisements

Vendors have the opportunity to submit display ads for the convention program. This is a cost-effective way to gain some exposure, especially for those vendors unable to attend the convention.
